This year the South Bend Symphony and the South Bend Youth Symphony will combine for a special Martin Luther King Day Celebration concert featuring a special performance by 13 year old violinist Randall Goosby, Junior Division First Place Laureate of the 13th Annual Sphinx Competition. This highly sought after experience includes four rehearsals with area teachers, a student rehearsal conducted by the Symphony's music director, Tsung Yeh, and two rehearsals with the orchestra. Students will be challenged to perform exciting music from the orchestra's repertoire.
